```

mouse\_write\_command

A diagram showing a call from `proj_main_loop` to `mouse_write_command`. The `proj_main_loop` box is on the right, and the `mouse_write_command` box is on the left. A blue arrow points from the right side of the `proj_main_loop` box to the left side of the `mouse_write_command` box. The `mouse_write_command` box has a gray background, while the `proj_main_loop` box has a white background. Both boxes have a black border.
